

# Amany Mohamed Sedek

## Front-End Developer

Cairo, Egypt | [amanyzeyada10@gmail.com](mailto:amanyzeyada10@gmail.com) | [01069626440](tel:01069626440) | [github.com/Amany091](https://github.com/Amany091) | [linkedin.com/amany-mohamed11](https://linkedin.com/amany-mohamed11)

## Objective

---

I am Front\_End developer , I have a bachelor's degree of Computer and Information where i gained a solid information of computer science and software engineering. My experience lies in creating dynamic, user-friendly interface and creating responsive front-end that prioritize performance , utilizing HTML, CSS , JavaScript and the React.js Library . I am committed to continuously expanding my knowledge and skills to stay updated with the latest technologies , always striving to elevate my design and coding abilities to the highest level.

## Education

---

Bachelor's degree in Computer and informatics , Zagazig University ( GPA : Very Good + ) 2019 -2023

## Experience

---

- React Development , **Digital Egypt Pioneers Initiative ( DEPI )** , April 2024 - Nov 2024  
I have successfully completed the Digital Egypt Pioneers Trainee program, focusing on React development. Throughout this program, I have gained hands-on experience with front-end technologies including HTML, CSS, and JavaScript, along with mastering modern tools like React Hooks, Formik, Yup for form validation, and Tailwind CSS for efficient styling. The program also deepened my expertise in building interactive and responsive web applications using React.js, enhancing my proficiency as a React developer.
- UI & UX , **Information Technology Institute ( ITI )** , July 2022 - August 2022  
I have gained basics information regarding User Interface (UI) design for mobile and desktop screens using the Figma Integrated Development Environment (IDE) and front-end technologies such as HTML, CSS, and Bootstrap.

## Technical Skills

---

**Front-End :** HTML , CSS , JavaScript , Bootstrap , ReactJS , React Bootstrap ,Redux-toolkit , React-hook-form , TailwindCSS , Context API.

**Version Control :** Git & GitHub

**Programming Language :** JavaScript , Typescript , JSON

**Soft Skills :**

- Self study
- Ability to work as apart of team
- Presentation and communication
- Problem Solving

## Projects

---

### To-Do\_App

[GitHub](#)

**Technologies used :** HTML , CSS , JavaScript , and Tailwind CSS

- Implement CRUDS operations including creating tasks, deleting tasks, editing tasks, and searching for tasks.
- Implement a task status filter for categorizing tasks as pending or completed.

### E\_Commerce Website - Digital Egypt Pioneers Initiative

[GitHub](#)

**Technologies used :** HTML , CSS , Bootstrap and JavaScript .

- Developed a full featured e-commerce platform that support products listing , shopping cart functionality , add product to wish list and maintain authentication functionality

### E\_Commerce Website - Digital Egypt Pioneers Initiative

[GitHub](#)

**Technologies used:** Reactjs , TailwindCSS , Redux-toolkit , RTK-query

- Displays a comprehensive list of products for users with filtration .
- Users can add items to their cart and manage their selections
- List orders for customer
- Admins can access and manage all customer orders.
- An exclusive dashboard accessible only to admins, providing advanced controls and insights
- Secures user access, ensuring proper login and role-based permissions.
- Utilizes Node.js for the backend, Express for routing and middleware, and MongoDB as the database, ensuring a scalable and responsive web application.

## Courses and Certificates

---

- **JavaScript (Mahara Tech)**      2023      [Certificate](#)
- **React (Mahara Tech)**      2023      [Certificate](#)
- **UI/UX training (Information Technology Institute ( ITI )**      July 2022 - August 2022      [Certificate](#)

## Language

---

- Arabic (Native)
- English
